Re: Electric Lights, Flashing Red Light, Electronic Sign

The Village of Avoca will be in the construction process for the new gazebo in Gazebo Park on Main Street the week of November 27 through December 1, 2023.

Therefore, the electric service to the above functions of the Village will be disconnect during the week causing the lamp posts, flashing red light at the intersection of Main Street and Chase Street, as well as the electronic sign to be off during this construction phase.

We apologize for any inconvenience and the electric to these downtown features will be reconnected as soon as possible.

Mayor Eric R. Tyner
